Limitless Computing Inc. Selects Kroner Communications as Agency Of Record

Focus on Public Relations and Marketing Communications to Fuel Brand Growth

BOULDER, CO - May 2, 2011 - [Limitless Computing Inc.](#),™ a cloud computing company that specializes in the Architecture, Engineering and Construction (AEC) industry, today announced that [Kroner Communications](#), an objectives-based [marketing communications consulting agency](#), has been selected as its agency of record.

As [Limitless Computing's](#) brand partner, Kroner Communications will focus on Public Relations and Marketing Communications strategies and initiatives to help grow brand awareness.

About Limitless Computing

Limitless Computing Inc. is a Boulder CO-based company that has been providing cloud computing since 2006 and specializes in the Architecture, Engineering and Construction (AEC) industry. Originally offering private clouds hosted in its data center, in 2009 Limitless Computing launched its online Limitless Rendering™ service for Autodesk® Revit® Architecture. Its current cloud rendering service provides photorealistic images to architects, interior designers, and colleges and universities, offering faster graphic renderings and saving productive hours resulting in quality, complete renderings in time for critical meetings.

About Kroner Communications

Kroner Communications is a consulting company focused on results-oriented marketing communications initiatives. All work begins with measurable objectives, from fully integrated marketing communications campaigns to specific projects. Kroner Communications provides integrated message development, public relations, trade show strategy and planning, collateral development, advertising management, and web site marketing management for companies in various industries, including technology, fitness, and event measurement. Call 303/478-3044 or click (www.KronerCommunications.com).
